CONSTITUTION OF THE NEVADA ELKS ASSOCIATION

PREAMBLE

This Association of the Benevolent and Protective Order of Elks (Order) Lodges of the State of Nevada (the State) is formed to unite all Elks in closer bonds of fraternity; to further good fellowship among Lodge; to protect and promote the interest of the Order in the State; to exchange ideas beneficial to the Lodges of the State; and to bear true allegiance to the Constitution and Laws of the Order.

NOTE: The data used for the Directory is taken directly from the CLMS system. Errors should be checked with your Lodge Secretary to ensure the data is correct in the CLMS system. All errors should be reported to Ron Douglass or Bill Wiseman.

NEVADA STATE ELKS ASSOCIATION PRESIDENT'S MESSAGE 2025-26

It is a profound honor and privilege to be elected President of the Nevada State Elks Association for 2025-26. I am humbled by the confidence afforded me by the Members. I promise to give it my all each day. The men and women who have gone before me have established procedures, standards, and traditions for the Office of the State President of the NSEA. I will do my best to follow those, to contribute to those, and to provide the best leadership I can muster, with the assistance of an excellent team of Officers and Committee Chairs.

The Nevada State Elks Association is celebrating our Centennial this year. We have two (2) districts, sixteen (16) Lodges, and approximately 7,000 Members. While it is time to reflect, it is also time to move forward. Immediate Past State President Ross Dyer, with the assistance of First Lady Dana Dyer, started some successful new programs for 2024-25. We will continue to recognize the state Elk of the Month, collect unwanted jewelry for

children with terminal illnesses, and recognize hard work at the Lodge level with the expanded NSEA awards.

In addition, the NSEA goals for 25-26 include: establishing a Technology Committee; establishing a state booth at the Grand Lodge Convention to showcase our State Major Projects: Camp to Belong Nevada and St. Jude's Ranch for Children; providing additional networking and support for Honor Flight Nevada, (North and South); coordinating participation in the Socktober event at each Lodge; and increasing statewide participation in the Ritual competition. My moto this year is "***Elks Make It Happen***". As I travelled around the state these past few years, I have seen talented Elk everywhere. I see brotherly love, enthusiasm, benevolence, and charitable work at its finest, and **The Best People on Earth (BPOE) Making It Happen**.

Thank you to all of the State Officers and State Committee Chairs for serving NSEA and the Members. We have much to do. We will *Make It Happen* with leadership, teamwork, and communication. Let us all work together and Make It Happen for a big Elk year 2025-26. Go Team NSEA!

Ben Reed, Jr.

NSEA President 2025-26

Nevada State Major Project

The Healing Center Grand Opening was held October 30, 2024 constructed to deal with child sexual exploitation. Child sexual exploitation is one of the most reprehensible and destructive offenses confronting America today. It harms the safety and well-being of our young people, it devastates our families and communities, and it degrades our strength as a community.

No matter what form child exploitation takes—from the creation and circulation of child pornography to the trafficking of children for sex—it demands the full attention of law enforcement, policymakers, community leaders, philanthropists, and service providers, each of whom plays an essential role in combating this unconscionable crime.

The commercial sexual exploitation of children (CSEC) involves the recruitment, harboring, transportation, provision, obtaining, or advertising of a minor child for the purpose of a commercial sex act. Traffickers often prey upon a child's vulnerability and use psychological pressure, violence and intimidation to control the child for financial benefit relating to their sexual exploitation. Purchasers of children for sex encompass all racial, socio-economic and cultural statuses. Child sex trafficking has devastating consequences for its victims, including long-lasting physical and psychological Nevada.

For over 53 years, St. Jude's Ranch for Children has offered a beacon of hope for abused, abandoned and neglected children and young people in Nevada. Through tremendous community support and the generosity of their donors, they have been able to break the cycle of abuse, help heal the effects of trauma and inspire children and youth to have hope for a better day while increasing their sense of self-determination.

St. Jude's Ranch for Children programs include:

Therapeutic Residential Foster Care

A safe and high-quality home environment and individualized holistic care are the hallmarks of this program.

Transitional Living

A program designed to help successfully integrate youth (age 15-18) into society with important life skills as they prepare to age out of foster care.

Pregnant and Parenting Teen

A stable and healthy environment to guide at-risk teens through their pregnancy and motherhood.

Child Sexual Exploitation

A stable and healthy environment to guide victims through their healing, from victims to survivors, and then thriving in our community. .

Sibling Preservation

Preserving sibling bonds of children separated within the foster care system through specialized events and activities to enhance their relationships. This program includes "Camp to Belong".

Transitional & Rapid Re-Housing

Serving homeless young people with high-quality housing, intensive case management, mentorship and support services.

Scholarship

Post-secondary educational support for all former residents/clients to support their goals while increasing self-sufficiency through careers and professions.

Eleven O'clock Toast

You have heard the tolling of eleven stokes. This to remind us that with Elks the hour of eleven has a tender significance. Wherever Elks may roam, whatever their lot in life may be, when this hour falls upon the dial of night the great heart of Elkdom swells and throbs. It is the golden hour of recollection, the homecoming of those who wander, the mystic roll call of those who will come no more. Living or dead, Elks are never forgotten, never forsaken. Morning and noon may pass them by, the light of day sink heedlessly in the West, but ere the shadows of midnight shall fall, the chimes of memory will be pealing forth the friendly message: "To Our Absent Members."

**NEVADA STATE ELKS
MAJOR PROJECT**

Mission Statement

The Nevada Elks Major Project, Inc. *the Corporation* within the Nevada State Elks Association pledges its commitment to addressing the unmet needs of children suffering abuse, neglect or exploitation, throughout the State of Nevada, by developing a program of support services funding to aid these children, without discrimination.
